

Real Estate Essentials

May 12, 2014 – Nashville, TN
Tennessee Bar Center

Program Description:

Attorneys will gain valuable knowledge regarding real estate issues. Topics and speakers include the following:

Susan Foxman and David Smith with Bass Berry & Sims will discuss healthcare real estate. This session will address some of the ever-changing regulations in the healthcare industry and how they can dictate real estate transactions.

William “Bill” Rosenberg with First American Title Insurance will review several of the new title insurance endorsements that affect both residential and commercial real estate law.

Mark Bell and Chris Dunn will talk about construction law issues that impact real estate lawyers and identifying issues that may create more problems for clients.
