

**Federal Practice Seminar
July 12, 2013
Tennessee Bar Center - Nashville, TN**

Program Description: This year's program will touch on topics relevant to federal practitioners. Speakers will discuss social media discovery, proportionality and cost shifting in e-discovery, strategies to avoid privilege waiver, and e-discovery case law updates. Case law updates will include both federal and state. Don't miss this opportunity to network with lawyers in your practice area. Lunch is provided for all participants.
